RSG Baseball Camps

Each camp will start with the basics and we will build from there. Catching, Throw-

We have plenty of batting cages so your camper will get a lot of hitting!

ing, Hitting, Base running, and Fielding will be covered. This is a great way to tune up for the upcoming sea-

son and brush off the rust from the off season. We will also build on skills already learned. With the low coach to camper ratio we try to introduce advanced concepts to those ready for them. Our coaches are focused on baseball and fun.

Our Staff

Coach Jim Capellupo

Pittsford Sutherland has done well under Jim's leadership including capturing a state championship in 2010 and 6 Section V championships.
